

You've been feathered

A donation has been made to LovePacs in your honor.

To continue sharing the love this holiday season, visit lovepacs.org/feather-a-friend and make a donation in honor of a friend or family member.

Download and print a turkey and two feathers

Keep the turkey and attach your feather to remember that special person

Take the other feather and give it to your friend along with this print out

Your donation will help LovePacs feed hungry children in the Frisco area during the holiday breaks, while letting your friends know you love and appreciate them! LovePacs exists to be an expression of God's love by engaging communities to serve children in need. We strive to make sure no child goes hungry while on breaks from school.
